

NDCI Planning Subcmte on RTI Teleconference Call

1-800-330-7428 Code: 6325528#

Monday, June 11 2007

10:00 AM – 11 :00

Facilitated by:

Anne Tweed, Facilitator atweed@mcrel.org Phone: 303-632-5528

Present:

Justin Wageman, Deb Syvertson, Steve Joyal, David Saxburg,
Anne Tweed, Linda Paluck,

NDCI Advisory Team Goal:

The NDCI Advisory Team will focus on the improvement of instructional practices of educators across the state of North Dakota.

By building capacity within our teachers and offering support, a stronger professional network will be created thereby enhancing the education of our students.

Agenda:

Goal: Create a tentative format on what day 1 and day 2 will look like

RTI – A District Approach

August 1 & 2 (Wednesday – Thursday) - Bismarck

Credit opportunity: Could provide pre-reading with a reaction paper at the end.

North Dakota RTI State Leadership team:

<http://www.dpi.state.nd.us/speced/personnel/RTI.pdf>

TENTATIVE

Ann will set up an agenda framework for the meeting.

First day (August 1)

8:00 8:30: Introductions and meeting highlights

8:30 – 10:00: RTI orientation: How this model could look in ND – Common language – Components of what RTI teachers already do and how that can be enhanced. Each school district could create an RTI ‘tool box’ (e.g., forms – shared information etc.)

Presenter possibilities:

Keith Gustafson (Deb will check)

Jason Hornbacher (Elem Principal @ Will Moore in Bismarck)

John Porter may have some suggestions (Anne will ask about resources)

Technical Assistance Center may also have possibilities

Break 10:00 – 10:15

10:15 – 11:45: RTI efforts in ND: Minot – Williston/Trenton Partnership model

Discussion groups – table talk

Lunch: 11:45 – 12:45

12:45 – 4:00: RTI efforts in ND cont. Bottineau REA & Jamestown (training)

Discussion groups – table talk

Day two: (August 2) Secondary RTI

How does this take place at the middle and high school?

Does BLST still come into play?

Progress Monitoring (Strategies and tools being used)

Kim Gibbons possible speaker

John Porter could present after lunch and then move into team time for individual districts to build their plan.

Include Implementation wheel – a connections model

3: PM Closing

Justin will check with location and make arrangements for direct billing.

POINTS TO PONDER:

- 1. National HS Center has expressed an interest in partnering interest in piloting a secondary model in ND. They may be able to generate resources to assist with building tool kits.**
- 2. Engage people in looking at some of the progress monitoring systems National Center on Student Progress Monitoring has information.**
- 3. John is hoping to invite some 15 teams across the state to engage in more in depth training beginning in September for three two-day training sessions throughout the year.**

Next NDCI Conference Call:

Monday, July 9, 2007

McREL's Conference call system: 1-800-330-7428
