

# EVERYTHING IS BIGGER IN TEXAS AND SO IS MetaMetrics' 2008 Lexile National Conference & Quantile Symposium, JUNE 16-19, IN SAN ANTONIO!

We've expanded our annual event to focus on the widely adopted Lexile Framework for Reading and the new Lexile Framework for Writing—and added an entire day on The Quantile Framework for Mathematics! Join us for this unique learning experience and see for yourself how school administrators, classroom teachers, librarians and other educational innovators across the country are using Lexile and Quantile measures to promote "Successful Teachers, Successful Students."

*"The Lexile Framework for Reading is a tool that has facilitated reading growth in my students more than any other single tool. For this conference, MetaMetrics melds together the highest quality speakers, information and ideas to create a meaningful conference that will have an immediate and lasting impact on students."*

— Margaret Reed, Reading Specialist, East Elementary, Kodiak Island Borough School District (Alaska)
